SCSNA Students Donate Their Loose Change to Make a Change

Issaquah, WA, April 14, 2009

During the month of March, the students at Sammamish Christian School & Noah's Ark Preschool collected their loose change and donated \$665.07 to **World Vision**.

To get the children involved, parents were encouraged to give children age appropriate chores to earn the coins they donated. Several children brought in and donated the entire contents of their piggy banks.

The loose change collected gives hope and demonstrates God's love to a poor child, family or village! The money will buy items ranging from a cow, ducks, and rabbits to clothing items and medical kits for disadvantaged people in other countries.

SCSNA launched their first-ever "Loose Change for World Change" project in 2004. Each year, the children continue to donate their loose change to make a change.

Sammamish Christian School and Noah's Ark Preschool (SCSNA) was established in 1996. We currently enroll children for preschool through grade 3. We are a non-denominational Christian school located on the Sammamish Plateau.

The preschool and kindergarten programs are accredited by the National Association for the Education of Young Children (NAEYC). We encourage parents interested in our preschool or elementary program to call us at 425-392-7470 and schedule a tour.
